**Who Should Attend?**

The PMDP is designed for early-career project managers and those that aspire to be in such a role. Attendees should be individuals who are familiar with construction at a project level; people who may or may not have post-high-school education in a construction-related field; individuals with undergraduate degrees in a construction-related field with little or no project experience.

**PMDP Benefits**

The objective of the PMDP is to increase the efficiency and effectiveness of construction project managers by providing instruction on the art and science of project management. Participation will better prepare professionals to make the transition from entry-level positions to positions of increasing responsibility as a project manager.
